

Artículos Originales en Revistas Internacionales Arbitradas

Alvarez-Oxiley AV, Sousa NM, Hornick JL, Touati K, van der Weijden GC, Taverne MAM, Szenci O, Beckers JF. Effect of exogenous circulating anti-bPL antibodies on bovine placental lactogen measurements in foetal samples. *Acta Veterinaria Scandinavica* 2010, 52:9 5.

Alvarez-Oxiley AV, Sousa NM, and Beckers JF. Native and Recombinant bovine Placental Lactogen. *Reproductive Biology* 2008, 8: 85-106.

Alvarez-Oxiley AV, Sousa NM, Hornick JL, Touati K, van der Weijden GC, Taverne MAM, Szenci O, Sulon J, Debliquy P and Beckers JF. Radioimmunoassay of bovine placental lactogen (bPL) using recombinant and native preparations: determination of foetal concentrations across gestation. *Reproduction, Fertility and Development*, 2007, 19, 1-7.

Alvarez-Oxiley AV, Sousa NM, Hornick JL, Touati K, van der Weijden GC, Taverne MAM, Szenci O, Sulon J, Debliquy P and Beckers JF. Insuline like growth factors (IGF's): fetal profiles in late gestation. *Paper to submit. Domestic Animal Endocrinology*.

El Amiri B, Karen A, Sulon J, Melo de Sousa N, Alvarez-Oxiley AV, Cognié Y, Szenci O, Beckers JF. Measurement of ovine pregnancy-associated glycoprotein (PAG) during early pregnancy in Lacaune sheep. *Reprod Domest Anim.* 2007 Jun;42(3):257-62.

V. de Behr, J. L. Hornick, J. F. Cabaraux, A. Alvarez Oxiley, L. Istasse. Growth patterns of Belgian Blue replacement heifers and growing males in commercial farms. *Liv. Prod. Sci.* 71 (2001) 121-130.

Libros publicados

Alvarez-Oxiley, Andrea

"Investigations sur le lactogene placentaire chez le foetus bovin". 2012.

Nro. de páginas: 212,

Editorial: Presses de la Faculté de Médecine vétérinaire de l'Université de Liège , Lieja

Medio de divulgación: Internet; ISSN/ISBN: 9782875430182 ;

Resúmenes publicados en Revistas Arbitradas

Alvarez-Oxiley; SOUSA N. M.; J. L. HORNICK; BECKERS JF. Efecto de la neutralización del lactógeno placentario bovino (bPL) en la circulación fetal durante el último tercio de la gestación sobre los factores de crecimiento similares a la insulina (IGF-I e IGF-II). *IV Congreso de la Asociación Uruguaya de Producción Animal, Montevideo, 2012. Revista de la Sociedad de Medicina Veterinaria del Uruguay*, 48, 168. ISSN/ISBN: 0376-4362; <http://www.smvu.com.uy/revista.php>

Alvarez-Oxiley AV, El Amiri B, Sousa NM, Beckers JF. Perfiles hormonales de proteína asociada a la gestación (PAG) en cabras lecheras receptoras luego de la transferencia de embriones producidos "in vitro" e "in vivo". *Agrociencia* 2010, Vol XIV (3), 141. *III Congreso de la Asociación Uruguaya de Producción Animal, Montevideo 4 - 5 noviembre 2010.*

Alvarez-Oxiley A, Sousa N. M., Touati K., Revy D., Van der Weijden G. C., Taverne M. A. M., Hornick J. L., Sulon J. and Beckers J. F. Radioimmunoassay of bovine placental lactogen (bPL) using an antiserum arised in guinea pigs: measurement in foetal plasma. *Joint European Conference in Reproduction and Fertility. 2004 Annual Conference: Society for Reproduction & Fertility. Ghent University, 5-7 April 2004, Belgium. (Abstract and Poster). Reproduction Abstracts Series N°31, April 2004, 25.*

Beckers J. F., Touati K., Alvarez-Oxiley A., and Sousa N. M. Embryonic signals and Pregnancy Diagnosis in Ruminants. Conference of the European Society for Domestic Animal Reproduction and the European Veterinary Society of Small Animal Reproduction. September-2004, Varsovie, Polony. (Workshop and Abstract). *Reprod. Domest. Anim.* 2004. 39 (4),252.

Touati K., Sousa N. M., Gangl M., Alvarez-Oxiley A., Revy D., Van der Weijden G. C., Taverne M. A. M., Szenci O., Serteyn D. and Beckers J. F. Investigation on prenatal endocrinology: preliminary results on long term catheterization of the bovine fetuses. Joint European Conference in Reproduction and Fertility. 2004 Annual Conference: Society for Reproduction & Fertility. Ghent University, 5-7 April 2004, Belgium. (Abstract and Poster). *Reproduction. Abstracts Series N°31, April 2004, 25*.

B El Amiri, Y Cognié, J Sulon, A Alvarez Oxiley, MR Aurel, G Lagriffoul, A Douik, MNSousa and JF Beckers. Pregnancy-associated glycoprotein (PAG) concentrations in plasma and milk samples for early pregnancy diagnosis in Lacaune dairy sheep. 7th Conference of the European Society for Domestic Animal Reproduction.(ESDAR) 4 – 6 September 2003 – Dublin, Ireland.(Abstract - Oral communication). *Reprod. Domest. Anim* 30 (4): 332, 2003.

B El Amiri, A Karen, J Sulon, A Alvarez Oxiley, M Alomar, N Melo Sousa and J.F Beckers. Validation of two homologous radioimmunoassays for measuring pregnancyassociated glycoproteins (PAGs) in ewe. 7th Conference of the European Society for Domestic Animal Reproduction.(ESDAR) 4 – 6 September 2003 – Dublin, Ireland.(Abstract and Poster).
